

Arin-Arin : Untitled #1

Comp. : Trad. Basque Country region, Spain

Disc. : Duo Absynthe, Orontes Project

Notes: Arin-arin in Basque means "light-light," suggesting a fast and technically difficult step to dance. Arin-arin is a dance that always follows the Basque Fandango, an isolated case among fandangos. It's also curious because the Fandango is in 3/4 and the Arin-arin in 2/4, meaning the two are not very musically related. This version follows that of Duo Absynthe, and may differ from traditional Basque arrangements.
