

Polska : Höglorfen

Comp. : Trad. Sweden

Disc. : Hedningarna

Notes : The most famous opening track from the 1997 CD “Hippjökk”. On the album, it is described as “a polska from Vingåker with parts borrowed from Småland.” It must have been a very good loan as the CD sold very well! They also mention, rather unhelpfully, that the word “lorf” refers to a bride’s dance.

♩ = 105
