

Big circle : The sailor's wife

Comp. : Trad. Scotland

Disc. : Ian Fraser

Notes : "Big circle" is the original name given by the choreographers to the mixer dance 99% of Balfolkers wrongly name as "Circassian circle" which is in fact a dance from the British isles. To confuse matters even further, the Circassians are a Caucasian ethnic group! Oy! This is a pre-18th century tune with a baroque-like melody. It's great fun to play in jams or on stage. It's safe to say that the sailor's wife was a good dancer knowing full well the meaning of the Irish-gaelic word Craic!!
